THANK YOU

Thank you to each family for giving your time and support to these students as they build self-confidence and discover the art of vocal technique and performance.

Congratulations to each student for committing to the study of yourself and your voice. You have reached big goals already. We have enjoyed teaching you and sharing the gift of music with you all.

Finally, thanks to Grace and St Stephen's Episcopal Church & Immanuel Lutheran Church for hosting our studios and believing in the gift it gives to the community.
